Quality Concrete Products

Truck and trailer loaded with tanks ready for delivery

- Complete tanks with no assembly.
- Quick and easy setting in the hole.
- Tanks are extra-reinforced.
- Tanks are produced in a climate controlled, indoor plant.
- Each well pit has a 30" opening in the top of the tank.
- In stock for immediate delivery.

TANK SPECIFICATIONS:

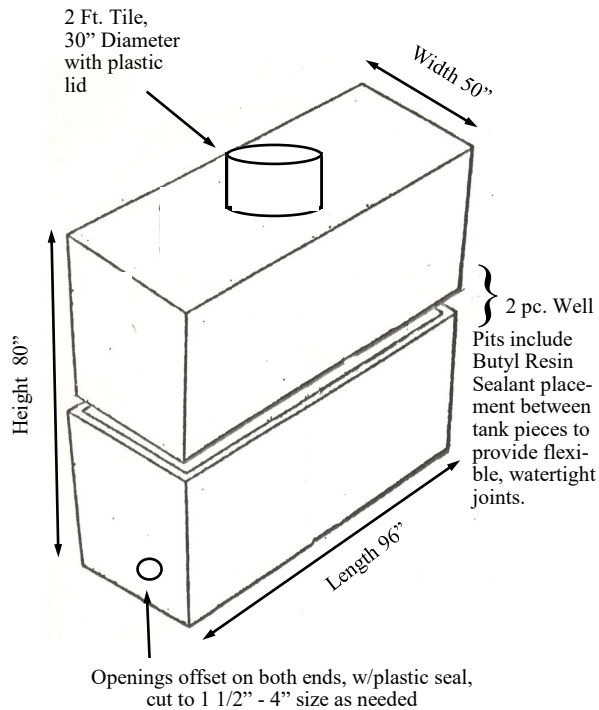

The standard and large well pits have openings offset on both ends, with a plastic seal that can be cut from 1 1/2" to 4" size as needed. The medium well pit has openings off-set on four sides, with a plastic seal that can be cut from 1 1/2" to 4" size as needed. Top riser opening is 30" diameter, 2 foot tall tile, with a plastic cover.
